

All the software you need for your education on one platform

Part of Signpost ⁵

How does it work?

- 1 Go to portal.academicsoftware.com/login
- 2 Log in with your school account
- 3 It's that simple!

Where can I find my software?

The software you see depends on the package linked to your account. You can find it in the top navigation bar, under the 'Software' menu item.
